Sir,

I have the honour to state that the President, Town Municipal Council, Bowringpet, reports that on the request of the Executive Committee of the local King Edward Hall Club for a contribution of Rs 5/ per mensem from the Municipal Funds towards the power charges of the Radio installed in the Club premises, the Municipal Council have resolved at their meeting held on 29th May 1941 that the contribution may be paid as requested by the Management of the Club in view of the fact that two loudspeakers have been installed at the Municipal Park for the use of the public and that on this account the power charges in respect of the radio are becoming too heavy for the club to bear

In the circumstances explained above, I request that Government may be pleased to accord sanction to the resolution of the Municipal Council subject to the condition that the Municipal Council should have control over the radio in regard to timings, programmes, etc , which may be fixed with due regard to the sentiment and taste of the public The extra cost involved, viz , Rs 60/- per annum will be paid out of the provision made under B, Public Safety, Electric lighting Charges in the budget estimates of the Municipality A copy of the Council resolution referred to above is enclosed herein for reference

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner In Charge,
